Communication skills

I think I have a more than good communication experience. I am sociable and open to constructive discussion is to exchange ideas. If I work in a group I tend to work together on a parity, trying to load ourselves with the task that we could carry out as well as possible in terms of timing

Organisational / managerial skills I have good organizational skills thanks to my experience in the team, although I can not try to be as objective as possible in their resolution

Job-related skills I think I have acquired good professional skills during the internship period
