(\*) [Common European Framework of Reference for Languages](#)

Social skills and competences	I like working alone but I prefer working in a team.
Organisational skills and competences	I can easily organise my work, I'm able to cooperate and to lead a group.
Technical skills and competences	During my school years I learned to use machine tools like lathe, the milling cutter, workshop tools, diagnostic tools. I learned to identify vehicles faults and to solve them.
Computer skills and competences	I have good computer skills (Excel, Word, Inventor) and I am able to use car diagnostic tools like "Ford ETIS IDS", that I used during the first two years of internship in Ford garage, and "WiTech", that I used during the last year of internship in Fiat garage.
Driving licence	A1 licence
