Digital skills

SELF-ASSESSMENT				
Information processing	Communication	Content creation	Safety	Problem-solving
Proficient user	Proficient user	Independent user	Proficient user	Proficient user

Digital skills - Self-assessment grid

- Good command of Office suite (Word processor, spread sheet, presentation software)
- Good command of photo/video editing software gained as an amateur photographer/videomaker
- Good command of the use of the PC in general both software and hardware, I can assemble a PC completely from scratch taking care of the part of the choice of components (not only from the point of view of power but also based on efficiency and the quality/price ratio). I am also able to disassemble a PC when it is necessary to update or replace one or more components.

Other skills - Passionate about the videogame and cinematographic world as well as everything that surrounds these two realities about technology and history.  
- Good command of the cryptocurrency market that has led me to create portfolios and therefore profitable but moderate investments.

Driving licence AM, B
